Taft's Tariff Board Report

That the report of Taft's Tariff Board was deliberately framed in the interest of protected wool barons, without regard to facts, need not be questioned. No other kind of report could reasonably have been expected. President Taft could not have been reasonably expected to select a board that would not make such a report. He carefully picked out a combination of fellow plutocrats, some of whom were masquerading as Democrats and some posing as

Tonsilline Cures Sore Throat

The throat is one of the most delicate parts of the body. It is also one of the most important, and should be given the best possible care. The throat is the gateway to the body. The air we breathe, the food we eat, the liquids we drink, all pass through it. It is very easily affected by cold, strain, exposure, etc., and Sore Throat is therefore one of our most common ailments. Strangely enough, it is also one of the most neglected.

Sore Throat is a very serious matter, for the whole system is in danger in consequence of it.

Every Sore Throat patient is a candidate for Tonsillitis, Quinsy, Diphtheria and other serious or fatal diseases, all of which can be prevented by the timely use of the Sore Throat cure of TONSILINE.

If taken in time a dose or two will do it. TONSILINE is made to cure throat diseases and nothing else. It is the one remedy for this purpose sold largely in the United States. Every user endorses it; every physician, knowing its virtues, commends it.

The most important thing to remember about TONSILINE is the fact that it really does cure Sore Throat.

Quality Makes the Price

Your grocer sells several grades of canned goods each priced according to its quality.

Some are too cheap to be good and some too good to be cheap. The price at which they can be sold depends upon the value of the raw material. The cost of canning is about the same.

CHEF Canned goods are strictly high grade. They are packed where they grow, and only perfect fruit or vegetables are put into CHEF cans—seconds are sold under cheaper brands.

CHEF goods are guaranteed—money back if you are not satisfied.
